

INABOX GROUP DELIVERS PROFIT GROWTH FOR FULL YEAR 2013

The board of Inabox Group Limited ("Inabox") (ASX: IAB) is pleased to announce a FY13 profit after tax of \$1.2 million for the financial year ended 30 June 2013. Inabox listed on the ASX on 12 July 2013, raising \$3.5 million from the offer which closed oversubscribed.

On the same day Inabox completed the cash and scrip acquisition of specialist VOIP provider iVox Pty Limited which produced an unaudited profit after tax of \$0.6 million.

"Since listing on the ASX only six weeks ago, we have successfully completed the acquisition and integration of iVox. This is an example of our ability to build scale through selective acquisitions."

"Our focus in FY2014 will be continuing our growth in wholesale telecommunications. We aim to achieve this by expanding into new customer channels, enabling emerging mass market channels such as large retailers to add telecommunications services to their existing business and acquiring complementary businesses", said Inabox CEO & Managing Director, Damian Kay.

The unaudited results of iVox are included below as an indication of the recent performance of the two trading entities.
