**CORRECTION TO EARNINGS GUIDANCE FOR
SECOND HALF OF FINANCIAL YEAR 2014**

On 27 May 2014, Inabox Group Limited (**IAB**) issued earnings guidance containing a statement that it expected that the net profit after tax for all entities currently owned by IAB would be no less than \$850,000 for the period 1 January 2014 to 30 June 2014.

Inabox Group now wishes to issue a correction to that statement.

The correct statement is as follows:

IAB now expects, based on current assumptions, that the net profit **before** tax for all entities currently owned by IAB will be no less than \$850,000 for the period 1 January 2014 to 30 June 2014.
